

2025 AP1 Examination Timetable

Students are responsible for checking the **starting times and location of examinations**. All examinations are in the MPC unless specifically indicated on the timetable. Students only attend school on the days and times they have an AP assessment scheduled during the AP assessment period.

You must be ready to enter the examination room **10 minutes before the commencement of each assessment**. Students are **not** permitted to enter the assessment room after the first hour has elapsed.

Students are **not** permitted to leave the assessment room until the advertised finish time of the assessment has elapsed.

You must have all the necessary equipment **including a stapler**. Students are not permitted to borrow equipment during the assessment.

Mobile telephones and smart watches/ devices are not permitted in the assessment room nor are to be used as a calculator or timer.

You may have water in a clear (no colour) bottle, but are not permitted food or other drinks in the assessment room unless special medical provisions have been arranged prior to the assessment.

Absence from an AP Assessment for any reason: A *CTHS Medical Certificate* or other appropriate supporting documentation, and a completed *Illness/ Misadventure* form are required if you are absent from a formal task. Students must contact Miss Adamou as soon as practicable to advise of their absence. The completed *Illness/ Misadventure* form and supporting documentation must be submitted to Miss Adamou asap but **no later than 3 days after the AP period has finish**. Students who miss an examination without a valid reason and supporting documentation will receive a **zero mark** and will not be permitted to re-schedule their task. Students **cannot** nominate the rescheduled time/ date, this will be determined by Miss Adamou who will reschedule the missed task for the **first timeslot available** for a particular student. No AP task will be rescheduled outside of the AP time period.

Absence due to illness requires a *CTHS Medical Certificate* or other appropriate supporting documentation, and a completed *Illness/ Misadventure* form are required if you are absent from an assessment.

Students will need to apply for special permission from the relevant KLA Head Teacher if an assessment needs to be undertaken prior to the original advertised date/ time. Students will need to present documentation to the KLA Head Teacher to support their request to sit an assessment prior to the advertised time/ date.

Illness/ Misadventure: Students who have completed an assessment but felt they were disadvantaged due to an illness or misadventure can complete and submit an *Illness/ Misadventure Form* to Miss Adamou as soon as possible after the assessment, but **no later than 3 days after the assessment period has finish**. Students should submit the *Illness/ Misadventure Form* along with a *CTHS Medical Certificate* or other appropriate supporting documentation.

Disability Provisions- Where a student has been given disability provisions they must see Mr Edinborough to collect their personalised timetable.

Student Malpractice is dishonest behaviour by a student which gives them an unfair advantage over others. Malpractice in any assessment task or exam is a serious offence. The school and the NSW Education Standards Authority (NESA) take malpractice very seriously and have strict rules in place to deal with such matters. As a school, we actively discourage any student who is thinking of participating in dishonest behaviour resulting in an unfair advantage. Detected malpractice may lead to reduced or **ZERO** marks, the loss of one or more courses towards the HSC and damage to the student's ability to apply for entry to TAFE or university courses.

Assessment Room Procedures

Students must follow the day-to-day rules of the CTHS.

Students must present their School ID cards upon entry to the examination room AND leave the card displayed on their desk for the duration of the examination.

Students are required to attend every task wearing full school uniform. Staff will undertake a uniform check at every task. It is the student's responsibility to wear their uniform correctly so that it is obvious and clearly visible they are doing so, otherwise staff will ask them to demonstrate they are in fact wearing the full school uniform. Names of students out of uniform will be recorded, but no 'Out of Uniform' slip will be issued. Students must present themselves to E2.3 the first day back after the AP period has finished.

It is the student's responsibility to be aware of, and provide, the equipment allowed for each task.

Generally, students may only take equipment listed below into the assessment room:

- black pens only, use pencil only when instructed to do so
- pencils, erasers and a sharpener (use pencils where specifically directed)
- a pencil case that is clear and see-through (no colour)
- a ruler marked in millimetres and centimetres
- highlighter pens
- a bottle of water in a clear (no colour) bottle.

Students must **NOT** bring any of the following into the assessment room:

- a mobile phone or programmable watch like a smart watch
- any electronic device (except a calculator where permitted). This includes communication devices, organisers, tablets (e.g. iPads, etc), music players or electronic dictionaries
- paper or any printed or written material (including the examination timetable)
- dictionaries, except where permitted in Languages tasks
- correction fluid or correction tape.

All equipment is subject to inspection by staff. Students are not permitted to borrow equipment during tasks. Students will be directed to place unauthorised items in a designated place. Staff are not responsible for these items.

Analogue watches will need to be removed and placed in clear view on the desk. Programmable watches, including smartwatches, are not allowed in the assessment room.

It is the student's responsibility to make sure that the correct assessment paper has been provided for the course they have entered. When asked to do so by the supervisor, students must also check the assessment papers to make sure that there are no pages/ booklets missing.

Supervisors are not permitted to interpret task questions or instructions relating to questions

Students must stop writing immediately when told to do so by the supervisor. Please note, students may not write their name on assessment papers outside of the official writing time.

Students must not leave the assessment room during the task, except in an emergency. Students are required to use the toilets in the MPC for those tasks scheduled in that venue. Only one student at a time will be allowed to the bathroom and they must record their name and the time in the booklet prior and the time after on their return.

Students must not remove any assessment materials from the room.

Students must behave in a polite and courteous manner towards the supervisors and other students.

Students are required to attempt a range of question types throughout the assessment paper. Simply attempting multiple-choice questions is not sufficient for an attempt to be considered serious.

If students do not follow these rules, or if they cheat in the assessments in any way, they will be reported to NESAs.

Actions that may be illegal may be reported to the police
