- Organise ensemble workshops.
- Develop all roles within the ensemble groups so that extracurricular music may flourish at CTHS.

Registration / Membership Contract

- Students wishing to participate in a Music Ensemble group, must first **register** prior to attending any rehearsals or performances.
- If your child's name is **not** printed on the roll for a particular group they have not registered.
- This contract outlines the student's, as well as parent/carer's commitments and expectations. **Students must read it carefully.** If a student fails to follow the guidelines listed in the contract they may be asked to leave the Music Ensembles Program.
- **Students are required to commit to the program for a minimum of twelve months.**
- If you would like your child to participate in the Music Ensembles Program, please email kerrie.knox1@det.nsw.edu.au for a link to the Google form Membership Contract.

Extension Ensembles

- **Please note:** Big Band and Rock Band are extension ensembles and participation is by audition only. Students are required to be a member of an appropriate core Music Ensemble to be eligible to participate in an extension ensemble.

Rehearsals

- Rehearsals are held before and after school. Students must be punctual and ready to commence playing by the scheduled time. **This means arriving ten to fifteen minutes prior to rehearsal commencement time.** This ensures a smooth and productive session, without the disruption of late arrivals.
- If you are unable to attend a rehearsal or performance, please **text** your Ensemble Director by 7am, either on the day or prior to the day, if you know in advance. Your Director's mobile number will be emailed to you.
- **Unexplained lateness may result in a lunchtime detention.** If you have a genuine reason for arriving late to rehearsal, you must provide a signed note from your parent/carer.
- Morning rehearsals conclude approximately five minutes before the roll call bell and afternoon rehearsals last between 60 and 90 minutes.
- Students must cooperate and be attentive during rehearsals and come equipped with their instrument and music. At the conclusion, the room must be tidy and equipment and stands returned to the appropriate rooms.

Membership Resignation

- If students wish to discontinue their membership in an ensemble, we require **written** parent/carer notification by emailing kerrie.knox1@det.nsw.edu.au.

Members' Responsibilities and Attendance

- Attendance at rehearsals and performances is essential so all sections of the ensemble are complete. Without 100% attendance rehearsals and performances are compromised.
- Year 11 and 12 students are required to attend all rehearsals, workshops, performances etc, during their assessment exam periods (AP), unless they have an exam on the day of the event.
- Students must be courteous, patient, attentive, cooperative, reliable, suitably attired, enthusiastic and keen to learn, at all times.
- Achieving a successful ensemble requires personal commitment and team effort. Section and Ensemble Leaders are elected to assist some groups.
- Ensure all ensemble fees are paid by the required date (payment plans, when necessary, can be organised by phoning the school).
- Seek assistance/clarification with any difficulties which may arise. Speak to your relevant Section Leader first.
- Students are expected to attend ensemble performances at community events, competitions, eisteddfods, festivals and tours (inside and outside of school hours).
- The Director is solely in charge of the group therefore, students must be respectful of all instructions.
- Students are expected to set-up and dismantle their own equipment and to help transport general equipment to and from performances.
- Students are to be available to play with sufficient notice.
- Students will be responsible for the care and supervision of hired school instruments at all times.
- Students must be equally committed to each ensemble. It is therefore advisable to participate in no more than three ensembles at a time.
- All ensemble members are required to read music.

Absentees

- If you are unable to attend a rehearsal or performance, please **text** your Ensemble Director by 7am, either on the day or prior to the day, if you know in advance. Your Director's mobile number will be emailed to you.
- A monitoring system for absences is in place. If a student is absent from rehearsal for three weeks in a row, they will be asked to provide an explanation to Ms Lai.
- Being absent does **NOT** constitute a reduction in fees.
- School excursions which run on the same day, but not during the rehearsal time of an ensemble, **do not** count as a valid reason **not** to attend. All rehearsals will be held unless notified by email (including excursions, athletics/swimming carnivals).

Performance Attire

- Students must wear full school uniform for all performances unless otherwise specified. However, Big Band's attire is as follows: Black shirt and pants with a red tie, black socks and black leather school shoes.

Supervising Teachers

- Supervising teachers are members of the CTHS Creative Arts staff and will liaise with the Ensemble Director.
- Supervising teachers will attend rehearsals periodically and monitor the use and purchase of music and equipment.
- Supervising teachers will ensure school procedure/documentation for excursions is followed.
- All teachers must comply with the NSW Department of Education's regulations regarding child protection.

Ensemble Directors

- Ensemble Directors are experienced musicians who instruct and conduct music to their designated ensemble(s).
- Ensemble Directors instruct/guide students in the chosen score(s).
- Ensemble Directors incorporate new ideas, thus ensuring rehearsals are a positive learning experience.
- Ensemble Directors ensure students practise and meet their commitments to their group.
- Ensemble Directors maintain student rolls, which are kept in the main staffroom. All absentees will be followed up by Ms Lai.
- Ensemble Directors identify performance opportunities throughout the year, ranging from school assemblies to public venues and festivals.
- Ensemble Directors assist with the annual Showcase and MADD Concerts, as well as Awards Ceremonies, which take place in the MPC. It is typical for all ensembles to perform at these events, along with a selection of HSC performances at Showcase.
- All Ensemble Directors must comply with the NSW Department of Education's regulations regarding child protection.

Excursions

- Excursions must be approved by the CTHS Executive.
- Directors must provide the Supervising Teacher with full details of the excursion which includes transportation, costs, performance attire, lunch and morning tea requirements, number attending, time/date/location and contact numbers in event of emergency.
- Excursions require the issuing of a note which must be completed, signed by a parent/carer and returned to school by the required date.
- Excursions will not be allowed to go ahead without the correct documentation being completed by teachers, Directors and students.

Instrument Security

- Instruments may be stored at school in the Music storeroom or lockable cupboard on days when ensemble rehearsals take place. They **must** be collected at the end of that day, **no later than 3.15pm**. Any queries, please see Ms Knox in the front office.
- No responsibility is taken for private instruments that are damaged whilst stored at school.

Private Instrument Tuition

- All instrumental ensemble members are expected to receive external instrumental tuition.
- **It is not the role of the Director or Supervising Teacher to teach students how to play or tune their instruments.**
- The Music staff can recommend tutors if necessary.
- Some tutors may visit your home to tutor your child, whereas others may tutor at their studio or a hired venue. This is to be negotiated between the parent and tutor.
- Those students who have difficulty reading music are to seek help from a tutor to improve their reading skills.

Instrument Hire and Servicing

- CTHS provides some hire instruments to students participating in extracurricular ensembles. These instruments can be hired for an annual fee plus an allocated bond.
- The borrower must pay for any repairs necessary due to damage caused through the borrower's negligence.
- The borrower is responsible for servicing the instrument, including all costs, which must be done once during any twelve-month period prior to the return of the instrument. **The borrower must produce a receipt showing proof of a complete service.** A list of recommended instrument servicers/repairers are included below.
- **All hired school instruments must be serviced and returned to Ms Lai by the end of Term 4 each year or on withdrawal from the Music Ensembles Program, at which time the bond will be refunded.** The bond will be forfeited if instruments are not returned by the due date. Instruments may be retained during the Christmas holidays by special arrangement with Ms Lai.
- If a student wishes to travel with a school instrument, a Permission to Travel with School Instrument form must first be completed.
- **Please note, prior to instrument collection:**
 - i. The Hired School Instrument Contract must be completed and returned to Ms Knox, with **proof** of the **annual fee and bond payment**
 - ii. The instrument **MUST** be labelled with a **“Hired Instrument” tag** (organised by Ms Lai).

Care of Music and Ensemble Folders

- Students are sometimes given original copies of ensemble charts. These charts may cost in excess of \$100 each. Therefore, they must be treated with great care and stored correctly.
- Lost charts are virtually impossible to replace and individual parts cannot be reordered. If students lose music, they will be billed accordingly for the replacement of the score or individual parts.
- Ensemble folders are provided to all students. These folders must be put away and stored in the Music room filing cabinet at the end of each rehearsal. Students can access these folders during the week if necessary, but must firstly seek permission from a Music staff member.
- Charts must be returned and stored in a locked cabinet as soon as the student has finished with them. Section Leaders are responsible for the collection of their section's music.

School Productions

- Whenever the school coordinates a major production, an ensemble or orchestra may be formed to accompany the performance. These groups require extra time and commitment. It is, therefore, essential to consider this when accepting positions.
- The orchestra is usually formed using CTHS ensemble members. Students will be given the opportunity to work with new instrumentalists.
- Orchestras used for the school musicals play from hired scores which must be treated with extreme care at all times. These scores must be free of pencil marks when returned.
- Only selected ensemble members will be invited to participate in these special projects. Players must have excellent attendance records, be proficient, musically competent, cooperative and a proven team member. Above all, they must be reliable. Inclusion in the group is not guaranteed.

Specialist Groups

- Specialist groups may be formed using Music students, for example quartets or trios.
- Rehearsals will be arranged and studios booked for these small ensembles. However, a Supervising Teacher or Director may not be involved.
- These groups must be directed by a responsible ensemble member and only ensemble students or elective Music students will be allowed to participate.

Fundraising

- Fundraising does not often occur, but when it does it should be undertaken with the same commitment shown during all other ensemble activities. It may be essential to off-set any operational costs and should be a team effort.
- Fundraising takes place for a specific event and students will be asked to assist.
- Activities may include selling chocolates, sausages sizzles, paid performances, busking, etc.
- Students must be responsible when handling money and all funds collected must be returned to the Supervising Teacher immediately after the event.
- Items taken out of school for sale become the responsibility of the individual student and/or family. Students should be discreet when selling items and not be forceful or persuasive towards teachers, family and friends.

Evaluation and Feedback

- It is essential to evaluate each performance and look at what was successful and what required improvement.
- Communication in all ensembles is direct and problem areas must be addressed by the Director and not overlooked.
- If there are areas of concern, parents should contact the Ensembles Coordinator, Ms Lai.
- Performances will be noted in school publications.

Awards Scheme

There are two systems within the Music Ensembles Awards Scheme:

Students with a minimum of 90% attendance at rehearsals and 100% attendance at performances will be eligible for the following awards, to be presented at our Presentation Night or Day Assemblies.

1. Bronze Two years participation in one ensemble
 Silver Four years participation in one ensemble
 Gold Six years participation in one ensemble
2. The School Awards Scheme, which includes the following:

Merit	Awarded by any staff member for class work, cooperation, participation, academic progress and/or school service normally expected of a student. All students are eligible for Merit Certificates and it is anticipated they will earn them regularly. A Merit Certificate is worth one point and awarded for demonstrating the CTHS Core Values.
HT Award	Head Teacher Awards are granted by Head Teachers, to recognise achievements in school service and other areas not covered by Key Learning Areas.
School Service	Students are also eligible for School Service hours if they demonstrate services beyond their required commitment to the program. This could include performing at school assemblies as incidental music.

NOTE: Students *must* keep a record of their performances by completing the forms included in this booklet and obtain approval from Ms Lai (or Mr Felton for Big Band).
